Docket No. 98N-1265 385 '99 APR 28 10:08
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Limits on the amounts
of prescriptions being shipped out
of state by a specialized pharmacy
would put a serious hardship on
me. There are no commercial pharma-
centicals made that balance my unique
hormone needs, and local pharmacies
cannot provide this specialized service.
